

Football. Championship Subdivision

This summer 12,000 student-athletes took to football fields across the country to compete for FCS institutions, with their sights on the NCAA® Division I Football Championship on December 19.

We celebrate these champions, all 12,000 of them.

“Eastern Illinois is where I had my opportunity and I made the most of it to be where I am now. I tell people all the time I wouldn’t change where I went to school for anything in the world.”

Tony Romo, former FCS student-athlete (Eastern Illinois University '03), winner of the 2002 Walter Payton Award for best FCS offensive player, Dallas Cowboys quarterback
